This course is for K-6 educators whose role it is to be a **Literacy Leader** in their building or district. Four training dates, spread across the school year, will provide participants a chance to gain and share ideas with other literacy leaders in the area. The focus of the course will be on understanding systematic and systemic instructional strategies, data analysis and curriculum planning to improve literacy in the building.

Participants will:

- Identify intervention strategies for RTI Tier 1 classroom use
- Determine intervention and progress monitoring for RTI Tier 2 and 3
- Design data templates to be used in team meetings
- Implement the use of SMART goals
- Understand Literacy Coaching techniques for use with staff

Presenters:
Deonna Montei & Sonia Lark
