Teachers who have not been trained or previously completed Michigan Model training in the previous version of the curriculum, may attend the new curriculum training. The Michigan Model for Health<sup>®</sup> is organized into six strands: Social & Emotional Health, Nutrition & Physical Activity, Safety, Alcohol, Tobacco, and Other Drugs, Personal Health and Wellness, HIV (district approval required)

Participants will:

- Create an understanding of philosophy and goals of the revised Michigan Model for Health<sup>®</sup>
- Examine the newly revised grade level manual and materials
- Disseminate current health content information; particularly in the area of nutrition
- Develop a comfort level for using the revised curriculum manual
- Preview instructional materials used in the curriculum
- Connect the implementation of school health education across core content areas
