

Elementary and Middle/High School RTI Implementation Team Training

Joanne Allain, an RTI consultant with 3t Literacy Group, focuses on the instruction and planning for multi-tiered systems for K-12 educational institutions across the country. She will discuss the concepts articulated in the book; **Logistics of Literacy Intervention: A Planning Guide for Elementary Schools** and **Logistics of Literacy Intervention: A Planning Guide for Middle School and High School.**

Each school team attending this 3 day training will be able to:

1. Analyze RTI and School Reform research and apply it to their specific school setting and student population
2. Develop an effective and efficient RTI implementation plan for their school site
3. Develop an RTI Operations Manual that articulates their policies and procedures in order to provide clarity and coherence for administration, school staff and parents

Audience: Building Teams made up of representatives from general education and special education to include: administrators, teachers, school psychologists and counselors.
