- Steps to activate and perform a monthly radio check
- 1) Call central dispatch at 989 773 1000
    - a. Identify who you are and that you will be performing the monthly school radio check
    - b. Ask them to activate the countywide alert system on the SSA radio
  - 2) Once the alert tones have went off on the radio pick up the MIC and began the check by stating
    - a. SSA radio check to (school/entity that you are calling) radio check.
    - b. If the school answers then mark them down as "Yes", if they don't respond mark them as "no"
    - c. If the transmission is weak or poor please mark that as well (if transmission is clear leave blank)
  - 3) Once the check is done email the results to [isabellacountyschools@gmail.com](mailto:isabellacountyschools@gmail.com)
  - 4) Remind all to reset radio's by turning off and on.
