Immersing a child in a literacy rich environment from birth can be a stronger predictor of literacy and academic achievement than family income. Children develop much of their capacity to learn in their first three years of life. You can sponsor a child for Dolly's Parton's Imagination Library for \$26 a year. Eligible children are Gratiot or Isabella county residents from birth to age five. Need a great baby or birthday gift? Sponsor the unborn baby or child in Imagination Library. Simply fill out the required information on these forms and return to the address listed below.
